

Pelion and the Pagasitikos Gulf is a magical place by land or by sea. This is the mythical land of the Centaurs, the place where Jason and the Argonauts set sail on the quest for the Golden Fleece and the place where the gods of Olympus went on holiday ...
... and it's a great place for your holiday too!

Our objective is to show you around from the waterside making this the most unforgettable day of your holiday and introducing you to the wonderful world of yachting.

MIXit Sailing (UK) and Jason Charter (D) provide yacht charter services in Volos, Magnesia, Greece.

**DAY SAILING
in the
PAGASITIKOS GULF**

**MAGNESIA
All the beauty of Greece**

THE SAILING PLAN

We will arrange collection from an agreed location and after a short introduction to the yacht head off into the crystal clear waters of the Pagasitikos Gulf. The Gulf, Pelion coastline and islands are a massive place to explore in a day.

Sail to a beach/island to swim and snorkle.

Find a bay, anchor and have lunch in a taverna.

Sail into the Gulf to explore.

Find a bay/bar and enjoy the sunset.

Night cruise along the coast watching the stars and the lights on Mount Pelion.

This is your day and you can sunbathe and relax while the skipper does all the work or take over the yacht, navigate, plot a course and get us to our destination.

Sailing is governed by the wind, waves and weather. We will change the day plan to take advantage of the current conditions and make the most of your day.

THE SAILING ACTIVITIES

Take the helm and experience yacht sailing. Snorkle, swim, motor, sail, anchor, mooring ...or sunbathe and relax.

Enjoy a day on a luxurious yacht with deck area for sunbathing and comfortable saloon for relaxing.

Learn about the yacht and sailing. You never know, you might get hooked.

THE SAILING AREA

PAGASITIKOS GULF
12 X 15 nm of clear, warm, blue sea.

Volos to the north, Mount Pelion to the east, Evia to the south, mainland Greece to the west and an abundance of beautiful islands and bays to explore. The views of the mountains and islands are exceptional.

Along the east side we have the beautiful villages of Gatzera, Kala Nera, Afissos, Lefokastro, Horto and the Island of Alatas by Milina. Then, Prasoudha Island, Trikeri Bay and the village of Kotes.

To the south, Old Trikeri Island, Pithou Island and views of Trikeri village high on the mountain top.

To the south-west Ptelou Bay at the foot of Mount Pteleos with the villages of Ahilio and Pigadhi where we can see the Achilles Tower.

Along the west side heading north we pass by Sourpi (Nies), Nikolaos Island and the town of Amalioupolos. On towards Nea Anchialos, Alikes and back to Volos.

So much to explore; islands, bays, villages, caves. Visit those places you have seen from the mountain and lots, lots more ...
